College Bearys Institute of Emerging Sciences  
Score 9.23%

### Schooling

	Class XII	Class X
Board Name	Karnataka	Karnataka
Medium	English	English
Year of Passing	2022	2020
Score	76%	66.5%

## INTERNSHIPS

### CodSoft | August 2024 - September 2024

- During my internship, I gained hands-on experience with CSS Grid, creating efficient layouts for real-world projects. This deepened my understanding of web development, improved my coding practices, and enhanced my technical and problem-solving skills.

## PROJECTS

### Music Player | December 2023 - December 2023

- Created a music player using HTML, CSS, and JavaScript with an easy-to-use interface, allowing track switching and displaying the total number of audio files.

### Weather Application | September 2023 - September 2023

- Created a simple, responsive web app using HTML, CSS, and JavaScript that integrates a weather API to display current conditions for any city, allowing easy search functionality.

### QR Code Generator | September 2023 - September 2023

- Created a responsive QR code generator using HTML, CSS, and JavaScript with the QRCode class from the qrcode.min.js library, enabling users to convert text and links into QR codes efficiently across device

### Bank Management System | May 2023 - May 2023

- Designed a bank management system with SQL database integration, offering real-time transaction and account management through an ATM-like interface for deposits, withdrawals, and balance inquiries

## ACHIEVEMENTS

- Top 3 in class in BCA
